Oak Lodge

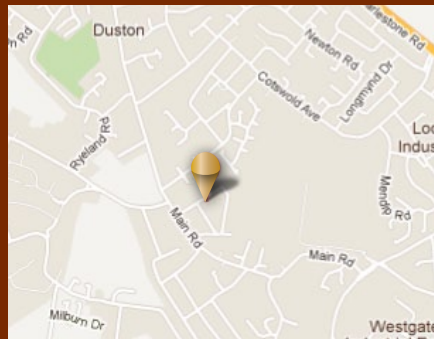

Residential Care Home

Oak Lodge is long established and has gained an enviable reputation for care of the highest standards.

It is a stone built Home of exceptional character. A detached property set in charming gardens in the village of Old Dunston, within easy walking distance of the village shops, post office etc.

Facilities & Services

The home is equipped with all the necessary aids, adaptations and equipment necessary to cater for a range of resident's conditions.

The emphasis is on "Home Cooking" with the health and well being of the elderly in mind. Special diets are catered for. Menus are varied, affording choice.

Staffing

The staff are selected, trained and managed to provide professional genuine care for our residents. Training is high on our list of priorities and is actively pursued with staff participation in National Vocational training, supplemented by in-house and external day courses in a variety of subjects.

Accommodation

The accommodation comprises of mostly single with en-suite facilities and some companion rooms. Rooms are bright and comfortable, adequately furnished and residents are encouraged to bring items of furniture to personalise their rooms.

The Home has two lounges, a private family room designed to create an ambiance in which residents may socialise, and a conservatory overlooking the garden.

Aims & Objectives

To create a setting where resident's individuality, dignity and privacy are respected. To facilitate choice, self expression and self determination whenever possible.

The caring family atmosphere at Oak Lodge encourages residents to pursue their own hobbies and those interested in gardening will find much to enjoy. Integration into local community life is encouraged, shopping trips, in-house entertainment and outings are organised regularly for the residents.
