

Oaklodge Care Home

June 2026

Oaklodge Care Home demonstrates a caring and supportive environment with compassionate staff, positive resident engagement and a clear commitment to person-centred care, supported by proactive leadership and a culture focused on dignity, safety and continuous improvement. The service benefits from responsive teamwork, improving quality systems and a strong focus on enhancing residents' wellbeing, creating a stable and welcoming setting for residents. With continued focus on strengthening governance, documentation consistency, risk management and quality assurance processes, the home is well positioned to build on its progress and deliver increasingly safe, effective and high-quality care outcomes.
